Organization's objective and history (briefly stated including major activities and length of time in business)

Mainstreet USA organizes community efforts to create an attractive, viable downtown environment, and promotes the downtown's unique historical assets using the National Main Street Center's Four Point Approach: Organization, Design, Promotion and Economic Development. Major activities include special events, business retention and recruitment and beautification. The organization was incorporated in 1993 and serves the greater Piqua community.

Purpose for grant (for additional space attach a separate page)

Grant funds will be used to purchase a new primary computer for the Mainstreet USA office. The organization's present computer is six years old and is struggling to efficiently run our basic office software and accounting software and has reached its capacity for upgrades. An updated computer, purchased with the guidance of the City of Piqua Information Technology Department, will continue to expand our in-house design capabilities, assist our ongoing web presence and run all our organizational software. We will also purchase the latest version of the Microsoft Office Software and new flat screen computer monitor.

Area(s) of Miami County served by project: The greater Piqua community

Number of Miami County residents affected by project 21,000+

Amount requested \$800 (rounded to nearest dollar) Total project budget \$1,070

Other sources contacted for support of this project and amounts Mainstreet USA will use the organization's general operating funds to cover additional expenses relating to the computer purchase.
